ESNAD Fund

Esnad fund was established under the umbrella of Bethlehem Chamber of Commerce and Industry to provide the necessary financial and moral support to commercial and industrial establishments in Bethlehem Governorate during times of crises, emergencies, or disasters.

The fund aims to promote the principle of support and social cooperation among the members of the general assembly and contribute to the stability of economic activities.

The Chamber also carried out several initiatives as part of its community responsibility, besides its participating in various social events in the Governorate.
